

## Letter: Thanks, voters

February 21, 2010

### Thanks to voters in 5th District

I would like to thank the residents of Manitowoc's 5th Aldermanic District for their support in the primary election. I am honored by the support and it has been an absolute pleasure to meet everyone at the doors and have a robust discussion regarding the issues we face.

I look forward to the next six weeks and many more conversations with the voters about how we can renew our commitment to ourselves, our community, and future generations.

I would also like to congratulate August Krieser on making it through the primary as well. I am happy to call August a friend and we are committed to giving the residents of District Five a clean, honest and hard-fought campaign.

Tyler Martell also deserves congratulations for his efforts in this race. His campaign was well run and, considering his age, it was a campaign the entire community should be proud of. It's not too often that members of Tyler's generation step up in the community and offer to take on such a social responsibility, and I'd like to thank him for doing so.
